KADUR DIVISION.

Notice dated 12th January 1929.

Notice is hereby given that sealed tenders will be received at the office of the Executive Engineer, Kadur Division, up to 4th February 1929, till 2 P.M. for constructing Police Lines at Basarikatte, Narasimharajapur Sub-Taluk. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of May 1929.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Chikmagalur between the hours of 11 A.M. and 5 P.M. on working days.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rupees one hundred only in cash or Government Promissory Notes, as earnest money, and be superscribed " Tender for constructing Police Lines at Basarikatte, Narasimharajapur Sub-Taluk, in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Rates should be quoted for all items both in words and figures. Percentage rates either above or below estimated rates will not be accepted.

10. No claim for enhanced rates will be permitted during the execution of work.

11. In all matters of dispute regarding quality and quantities of work the decision of the Chief Engineer is final and legally binding.

12. All work should be in accordance with the standard P.W.D. specifications.
